

# OpticBook 3600

The Simple Solution to Book Scanning

SEE™  
Technology  
Patent Pending

Plustek encourages scanning and copying according to copyright laws.

## Introducing a simple, innovative solution for scanning books . . .

**PDF**

**OCR**

**Copy**

**High Speed Scanning**

**USB 2.0**

Thanks to Plustek's patent pending **SEE™** Technology, any book can lie completely flat on the scanning glass. The result is a perfectly scanned image with no annoying book spine shadow and no distorted lines of text.

Whereas professional book scanners are targeted mainly for large libraries, archive museums, and corporations with big budgets, **OpticBook 3600** is an affordable solution for all libraries, copy rooms, students, teachers, universities, SOHO, law offices, publicists, and work groups.

**No more annoying scans or copies!!**

## SEE™ Technology (Shadow Elimination Element)

- Specially designed edge and patented lamp with curved ends
- Half the book lies completely flat on the scanner glass

## The Best Solution

- Clear page scans for better OCR results and perfect PDFs
- Quick copying of book pages, great for students and copy rooms
- Clean copies with text aligned on the page and no black border
- Avoid cutting books or damaging book bindings
- Scan or copy text very close to the book spine

## User-Friendly Software

- Fast and simple PDF conversion
- Powerful OCR instantly saves to MS Word and Excel
- Automatically rotates and saves page images in correct order
- New Plustek OpticTwain for normal scanning

**OpticBook 3600 clear page scans**

Scanner Type	Color CCD Flatbed Scanner
Image Sensor	CCD
Optical Resolution	1200 dpi
Interpolated Resolution	24000 dpi
Interface	USB 2.0
Colour Depth	Input 48-bit Output 24 / 48-bit
Net Weight	3.4 kg / 7.5 lb

Reflective Scanning Area	A4 / Letter (216 x 297 mm / 8.5 x 11 in)
Scan Speed	9 sec, A4 color scan, 300 dpi 8 sec, A4 grayscale / B&W, 300 dpi
Action Buttons (paper)	Custom, E-Mail, Copy, OCR, Scan
Action Buttons (book)	Book Pilot, Preview, Color Scan, Grayscale Scan, Text Scan
Dimensions (W x D x H)	453 x 285 x 105 mm (18 x 11 x 4 in)
